

The Trusted Metal Conveyor Belt Manufacturer

Flat-Flex® conveyor belt with C-CureEdge

Prevent belt catching C-CureEdge® edge loops and improve safety

Our patented C-CureEdge® C-shaped edge loops help to prevent catching during installation and operation of your conveyor belt, especially during tight conveyor-to-conveyor transfers. C-CureEdge® edge loops also add an extra layer of safety to your belt by minimizing the risk of catching during contact.

Belts available with C-CureEdge®
